**How Do I Apply for the Program?**

1. Call Habitat for Humanity (831) 635-9904 to request an application, which will be mailed or emailed to you. You can obtain the application from our website: [www.hfhsbc.org](http://www.hfhsbc.org).
2. Complete the application and return it to Habitat for Humanity by the deadline stated in the application.
3. We will notify you if you qualify for the program.†

\* These are the basic qualifications. Some homes may be disqualified if the estimated repairs exceed the available funds allocated for each home. Other program requirements apply that will be explained to you before you decide to participate in the program. The improvements are paid by a zero interest rate loan that the homeowner receives from Habitat for Humanity. You will be required to make a monthly payment of the loan.

† Funds for the program are limited. The number of qualified applicants may exceed the available funds. In this case, not every qualified applicant will have their home repaired.
